

HOW TO...

Consult, Invest, Acquire, Plan, Negotiate...

BUSINESS OPPORTUNITIES & CONSULTING

1. MARKETING YOUR CONSULTING AND PROFESSIONAL SERVICES

Richard A. Connor, Jr. and Jeffrey P. Davidson

Waiting for good "word of mouth" to attract new clients can be the kiss of death in today's intensely competitive professional marketplace.

You've got to know how to market your services. Here are sophisticated, service-oriented marketing techniques based on a "client-centered" or "leveraged" approach that lets you generate more profits by actually servicing fewer clients. You'll find tips on "reading" a client, preparing a proposal, building a flexible sales plan, and much more. 219 pp. \$19.95 Circle #1 on coupon.

2. BECOME A TOP CONSULTANT How the Experts Do It

Ron Tepper

What it really takes to build a successful consulting practice—from 10 experts in engineering, data processing,

8. BEYOND THE INVESTOR'S QUOTIENT The Inner World of Investing

Jacob Bernstein, MBH Commodity Advisors

Jake Bernstein unraveled the mystery of winning investor behavior in his classic *Investor's Quotient*. Now he shows how to overcome the biggest nemesis of today's investor—overdependence on computers

and "systems" and not enough on the real make-or-buy element of investment strategy—your own trading behavior. You'll learn how to spot losing attitudes and turn them into winning ones, keep from being swayed by the mob psychology of the market, avoid the five greatest investment blunders, and prosper in the nerve-racking speculative arena. 214 pp. \$19.95 Circle #8 on coupon.

9. COMMON STOCKS FOR COMMON SENSE INVESTORS

William E. Mitchell and Thomas R. Ireland

Tired of watching your portfolio nickel-and-dime to death by brokers' commissions? Or of "hot tips" that are old news by the time your broker gets to you? Earn more, spend less, and have more fun doing it with Bill Mitchell and Tom Ireland's TIPP Strategy—Total Investment Portfolio Planning TIPP is a complete, step-by-step program that lets you build a prosperous portfolio of growth, income, and undervalued stocks. It'll pay for itself with the first discount transaction you make! 275 pp. \$19.95 Circle #9 on coupon.

10. A COMPLETE GUIDE TO THE FUTURES MARKETS

15. BASIC BUSINESS APPRAISAL

Raymond C. Miles

Agreeing on the value of a business is tricky, especially when negotiations get serious. Here are more than 200 specific questions you need to consider in determining the market value of any business—whether for insurance valuations, buying and selling, loans, or estate planning—along with clear, systematic guidelines for making sure you get the right answers. 399 pp. \$59.95 Circle #15 on coupon.

16. TAKEOVER MADNESS

Corporate America Fights Back
Allen Michel and Israel Shaked

How do you get T. Boone Pickens to take "no" for an answer? Or keep Ted Turner and Jesse Helms at bay? Merger experts Allen Michel and Israel Shaked are finding some innovative solutions. Like the Pac Man Defense, Shark Repellent, Kamikaze and the Poison Pill. Join them behind the lines of business's biggest takeover battles—and explore the intrigues and intricacies involved in the "superdefenses" used against raiders like Carl Kahn, Sam Heyman, the Bass brothers, and T. Boone himself. Power reading. 350 pp. \$22.95 Circle #16 on coupon.

17. ACQUISITIONS, DIVESTITURES AND CORPORATE JOINT VENTURES

An Accounting, Tax and Systems Guide for the Financial Professional
Joseph M. Morris

20. DIRECT MARKETING SUCCESS

What Works and Why
Freeman F. Gosden, Jr.

When a direct mail campaign fails—or puts better than you expected—you want to know why. Now Freeman Gosden—The Direct Marketing Association's "Man of the Year"—explains the whys behind successful direct response, from why long letters pull better to why "mail gluf" is a fallacy. Here are the keys to consistently higher response rates in any situation. 275 pp. \$19.95 Circle #20 on coupon.

21. COMPETITOR INTELLIGENCE How to Get It—How to Use It

Leonard M. Fuld

Like to know specific details of your competitors' marketing strategy, service plans, finances, or sales force deployment? Leonard Fuld shows you how to get this priceless information, and much more, through completely legal, accessible channels. Includes an annotated index to thousands of information sources. 479 pp. \$24.95 Circle #21 on coupon.

22. THE COPY-TO-PRESS HANDBOOK

Preparing Words and Art for Print
Judy E. Pickens

Whether you need to run off a quick flyer or just got handed the company's annual report, it's easy to pay too much and be disappointed by the results. Unless you've got Judy Pickens's start-to-finish guide to the ins and outs of planning and producing print materials. Written specifically for the non-expert, it shows you how to make sure you're getting your money's worth, how to select art, type, and paper, and how to bring the job in on time and on budget. 547 pp. \$41.00 Circle #22 on coupon.

23. PROPOSAL PREPARATION

Rodney D. Stewart & Ann L. Stewart

26. MAKING STRATEGY WORK

How Senior Managers Produce Results
Richard G. Hamermesh

Strategic planning was practically invented at Harvard Business School. Now Harvard's own Dick Hamermesh shows how to make it work. Drawing on his firsthand experience at companies like GE and Memorex and interviews with ten Fortune 500 CEOs, Hamermesh shows how to create meaningful strategic goals, direct efficient planning activities, avoid the problems, and implement a strategic plan that will keep your company competitive. 245 pp. \$19.95 Circle #26 on coupon.

27. EXPERT SYSTEMS

Artificial Intelligence in Business
Paul Harmon & David King

"Incredible and valuable detail." —Popular Computer
Expert systems—"intelligent" software that's revolutionizing the way we use computers—can put your company literally years ahead of your competition. This fascinating, thorough, yet non-technical guide shows you how expert systems can give you a tremendous competitive edge in fields ranging from insurance underwriting to credit analysis to prospecting for minerals. 263 pp. \$24.95 Circle #27 on coupon.

NEGOTIATION & PERSUASION

28. WIN-WIN NEGOTIATING

Turning Conflict Into Agreement
Fred E. Jandt

You say tomato, they say to-ma-to. Hopeless? Not if you're armed with the techniques in *Win-Win Negotiating*. "Unpacking," "Mini-Max," "Issue Substitution," and playing "the Great Litigator" are just a few of the tactics that can get you what you want and win allies. These are the same techniques

used by people whose job is managing conflict—labor negotiators, diplomats, and, of course, top corporate managers. Put them to work for you. 320 pp. \$19.95 Circle #28 on coupon.

29. 101 TIPS FOR SELLING FINANCIAL SERVICES

Linda Richardson

A top sales trainer helps you hone the razor-sharp selling skills needed in today's high-pressure financial services markets. Whether you sell banking, investment or financial planning, here are fundamentals, fine points, and deal-makers that will make you more professional and productive. 152 pp. \$16.50 Circle #29 on coupon.

30. CONTRACTING WITH THE FEDERAL GOVERNMENT

Frank M. Alston, et al.

In spite of all the red tape, you can make money doing business with the federal government. From live Price Waterhouse experts in government contracting, here are the elusive motivating forces behind government regulations.
