Work-life balance, especially during a tough economy, has become the defining challenge of our era. Jeff Davidson is the **Work-Life Balance Expert®**:

20 years, almost to the day, after writing his landmark book, ***Breathing Space: Living & Working at a Comfortable Pace in a Sped-up Society***, Jeff was awarded the distinction "***The Work-Life Balance Expert***" from the U.S Patent and Trade Office. As such, he is the only person on earth so designated.

Jeff is a leading authority on managing information overload, time and stress management, and systems for accomplishment. As a conference and convention speaker, he offers dynamic learning keynotes as well as seminar presentations, combining outstanding content with humor, flair, and inspiration, leaving his audiences supercharged and ready for action. Frequently featured in *USA Today*, the *Washington Post*, and *Los Angeles Times*; quoted in the *New York Times*, *Christian Science Monitor*, and *Wall Street Journal's* Career Employment Weekly; and appearing on 175 television and radio talk shows including CNBC,
